

Veggie Club At A Glance

Membership

As a member of the Hilltop Veggie Club you will receive a weekly box full of delicious produce. This should be enough vegetables to feed two adults. Our season lasts mid-June thru October (16 weeks).

Locally Grown

Produce is locally grown at our family operated farm just north of Hollandale using sustainable agricultural practices.

Fresh

Vegetables are picked and cleaned within 24 hours of box pick-up to ensure produce is fresh and better tasting.

“ boxes of produce have amazing! Such variety of beautiful, fresh and clean veggies.....YUM!”
